

## **PUBLIC NOTICE**

### **NOTICE OF AVAILABILITY OF DRAFT INTEGRATED NATURAL RESOURCES MANAGEMENT PLAN Altus Air Force Base, Oklahoma**

The US Air Force has prepared a draft revision of the Integrated Natural Resources Management Plan (INRMP) for Altus Air Force Base (AFB), Oklahoma. This plan describes the existing natural resources on Altus AFB and details the proposed course of management for upcoming years. The INRMP provides for the conservation and multi-purpose use of natural resources in a manner that is consistent with the military mission and compliant with applicable environmental laws and regulations. The INRMP was developed in coordination with the US Fish and Wildlife Service and the Oklahoma Department of Wildlife Conservation and meets the requirements of US Air Force Policy and the Sikes Act.

The public is invited to review the Draft INRMP from 07 August – 07 September 2020. The Draft INRMP may be reviewed at:
