### 100% Confidential Counseling

Our Chapel Team is available to provide group, couple, and individual counseling. Whether it be work-related, relationship, personal, or spiritual counseling, we are here to help. Counseling with a chaplain is privileged communication.

Privileged communication is protected communication IAW Military Rule of Evidence 503. Under this rule, “a person has a privilege to refuse to disclose and to prevent another from disclosing a confidential communication by the person to a clergyman or to a clergyman’s assistant, if such communication is made either as a formal act of religion or as a matter of conscience.”

Individual must provide chapel representative informed, written consent to disclose privileged communication. Otherwise, under no circumstances may information be revealed to any source (AFI 52-101).

If you need to speak to a chaplain, please feel free to call the base chapel at 481-7485. **For after-hours emergencies**, you may reach the Chaplain On-Call calling the Command Post at **(580) 481-6313**.
