Non-DPS FRV Claims

- Not all shipments are in DPS. A small minority of shipments are under local contracts.

- Claims for these shipments must be filed directly against the delivery carrier within 9 months for Full Replacement Value

- Loss/Damage Reports are filed directly with the delivery carrier within 75-days

DPS FRV Claims

- If you can't settle with the TSP on certain items you can file those unresolved items with the Claims Service Center (CSC)
 - You'll be paid under normal depreciation rules
 - CSC will assert FRV claim against TSP
 - If we recover FRV from the TSP, you will be paid an additional amount
- If your TSP denies liability and places it on a prior handler, such as the warehouse where they picked up your shipment, you may be eligible to receive FRV from the CSC
- Call the CSC for assistance
- DSN 986-8044 or 1-877-754-1212

Total Loss Claims under FRV

TSP's Liability under FRV is limited to the greater of either:

- \$7,500 per shipment or
- \$6.00 x net weight of shipment up to \$75,000

Call Claims Service Center if claim amount is greater than or near the limit

Time Limits to File a Claim

- 9 MONTHS: From date of delivery to file your claim in DPS to get FRV
- \checkmark If you don't file within 9 months,
 - ✓ file with the Claims Service Center within 2 years of delivery
 - ✓ Not entitled to FRV
 - but claim still adjudicated using standard depreciation rules
