-Per DoD COVID Travel Restrictions Installation Status spreadsheet have travel restrictions been lifted at your previous location?

YES (continue below)

NO (Stop & go to page 2)

I have read the 97 TRS/CC Guidelines for 14-Day COVID-19 AMM MFR & 97 AMW/CC MFR regarding Altus AFB local area & COVID policies & Directives

I understand that I will stay in the Red River Inn for the 14-Day monitoring period by myself in a single occupancy room, and I will not leave the base per 97 TRS/CC memo

I will get my temperature taken once a day during the week (0700 or 1300) and at 1000 on Weekends

After 14-day monitoring period I plan on:

Staying in Red River Inn

Moving Off base to Crash Pad. Address: _____

I confirm Crash Pad will be single occupancy or with immediate family only
*NOTE: 97 TRS HIGHLY discourages signing leases. If required to move out of lodging due to public emergency, you may incur excess financial burden

Moving to Off Base Hotel: _____

(If previous location travel restrictions have been lifted, stop here)

STUDENTS TRAVELING FROM LOCATION WITH TRAVEL RESTRICTIONS

- Students traveling from bases that have not been cleared for lifting travel restrictions will have a 14 day restriction of movement starting the day you leave your previous base.

I have read 97 TRS/CC MFR: Guidelines 14-Day COVID-19 Advanced Medical Monitoring (AMM), with an emphasis on para 6b (Movement Restrictions from a Hotspot)

I have read the 97 AMW/CC MFR regarding Altus AFB local area & COVID policies & Directives (<https://www.altus.af.mil/COVID-19/coronavirus/>)

I understand I will not start class and will inprocess with the TRS 14 days after I depart my last duty location
Planned Departure Date:

I am planning on arriving to Altus 14 days early to avoid delay to course graduation date
